

### Supplementary Figures

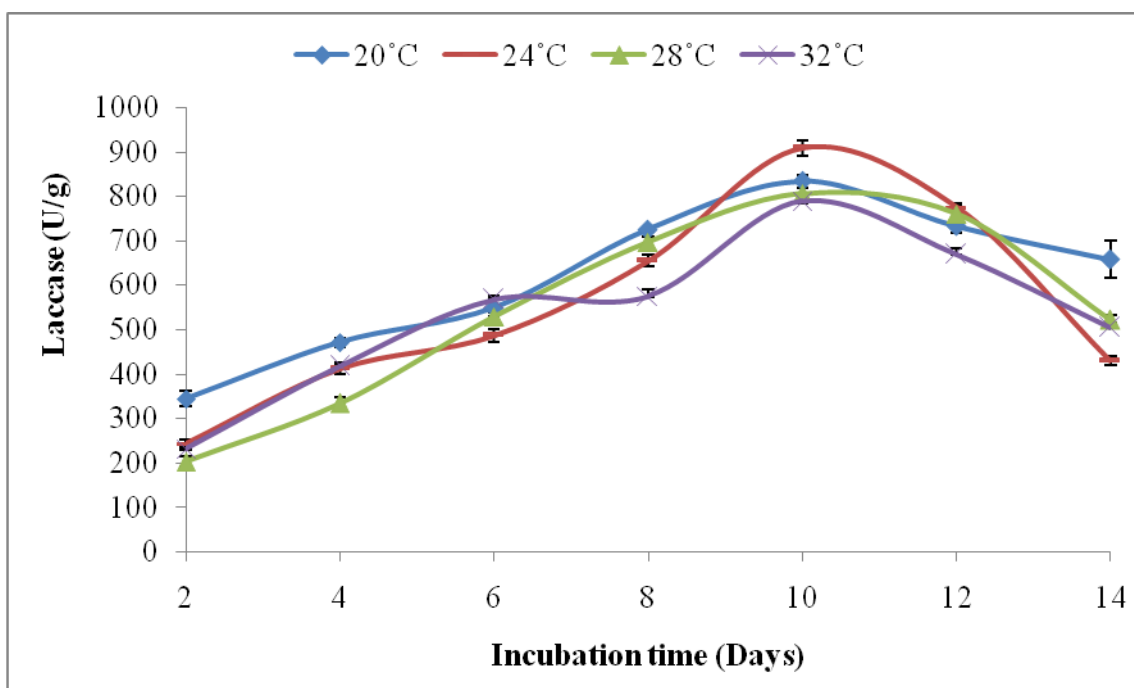

**Fig. 1** Effect of substrate on Laccase production using *Pleurotus sajor caju*

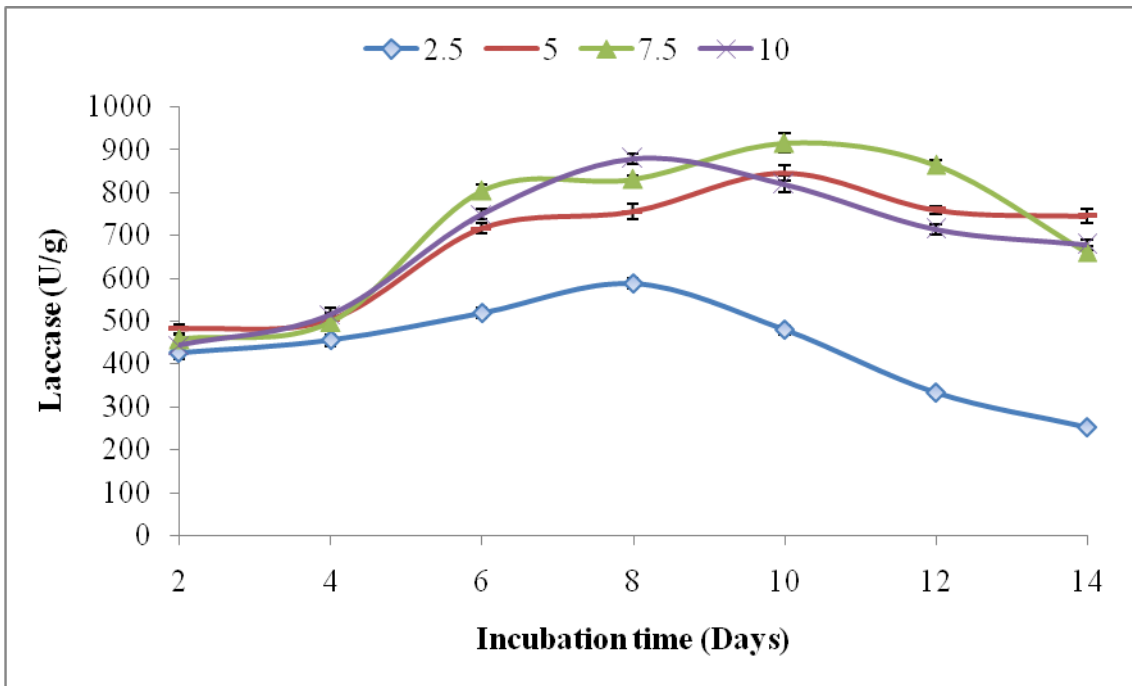

**Fig. 2** Effect of moisture content on laccase production

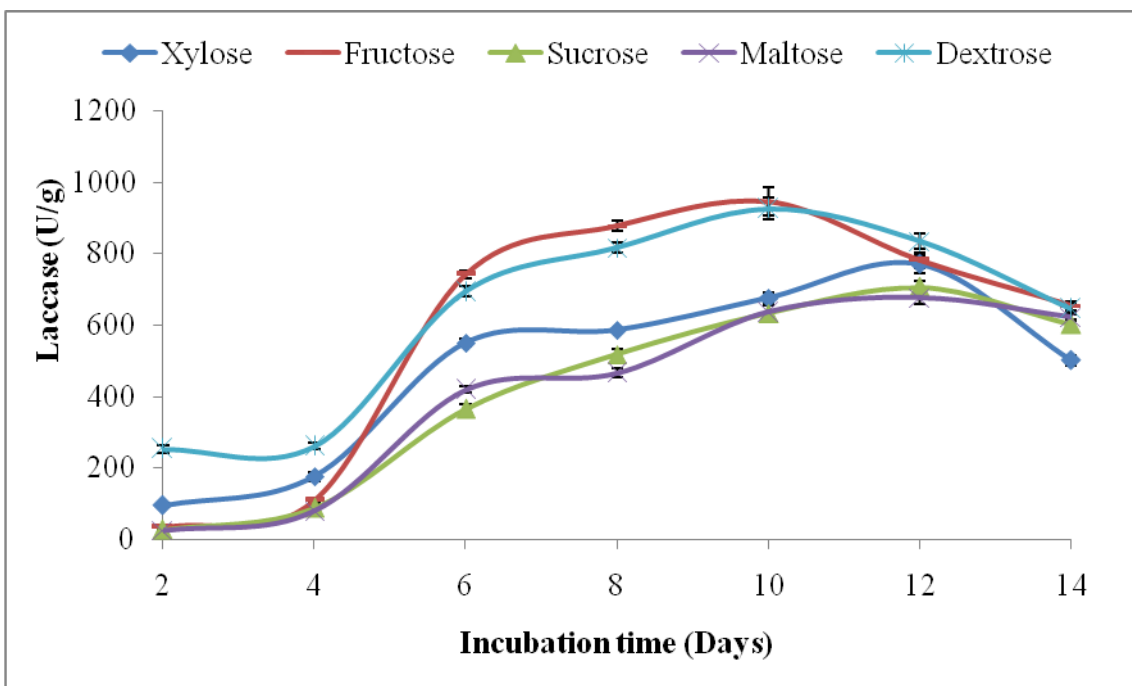

**Fig. 3** Effect of pH on laccase production

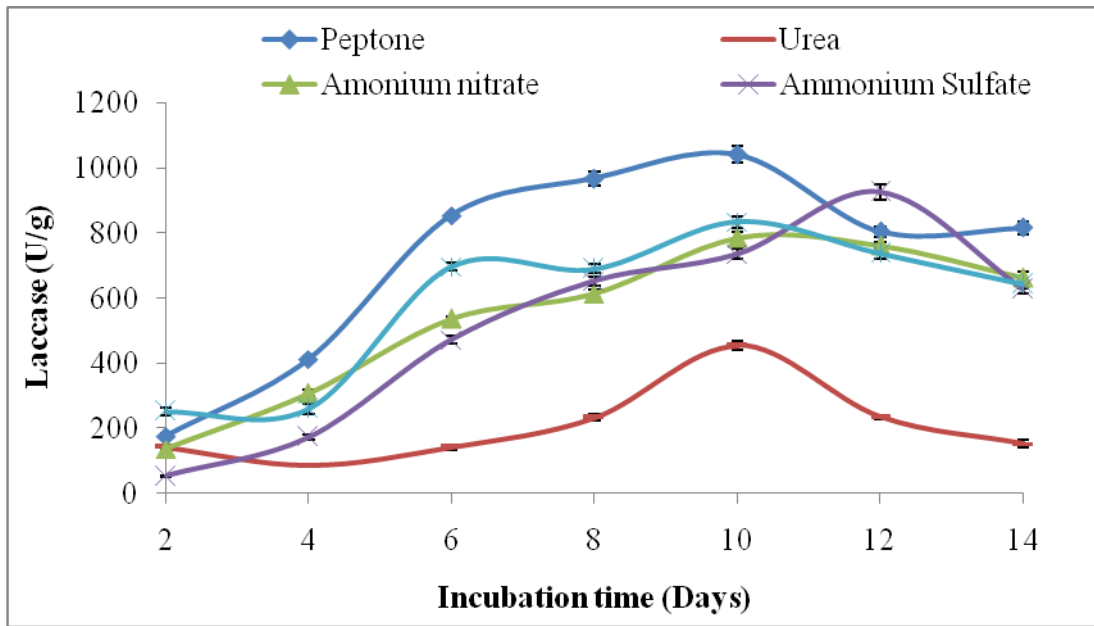

**Fig. 4** Effect of temperature on laccase production

**Fig. 5** Effect of inoculum size (%) on laccase production

**Fig. 6** Effect of Carbon source on laccase production

**Fig. 7** Effect of Nitrogen source on laccase production
